### DETAILED ACTION

1. The amendment filed May 16, 2003 has been entered. Upon further consideration, new grounds of rejection under 35 USC 112 are considered necessary. Because the new grounds of rejection was not necessitated by applicant's amendment, this Office action is being made **non-final**. Any inconvenience caused by this Office action is regretted.

#### *Claim Rejections - 35 USC § 112*

2. Claims 1, 5-11 and 56 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 1, the claim appears to be incomplete and thus vague and indefinite because a table saw is being claimed but no saw blade has been recited, and it is suggested between lines 5 and 6 to insert --a saw blade operably supported by the base and extendable through the work support surface;-- or the like.

In claim 56, the claim appears to be incomplete and thus vague and indefinite because a table saw is being claimed but no saw blade has been recited, and it is suggested between lines 5 and 6 to insert --a saw blade operably supported by the base and extendable through the work support surface;-- or the like. ←
